

eBook Light for Kindle

Make Every Read a Brilliant Read

Part # F5L076cwWHT

UPC: 722868753149

Make Every Read a Brilliant Read

Shine On

Enjoy your eBook day or night. The eBook Light provides a warm, brilliant glow for comfortable reading, with two brightness settings. Three powerful LED lights cast the same illumination as six regular LEDs.

Flexible, Compact Design

The slim, compact design makes it easy to take your eBook Light anywhere you take your eReader. The flexible arm adjusts to any angle, and allows the light to tuck into the clip for easy storage.

Features

- Warm reading light
- Three “Super LEDs” provide the same illumination as six regular LEDs
 - Two brightness settings
- Flexible arm lets you adjust the light to any angle
 - Light tucks into clip for compact storage
 - Slim design for easy storing and carrying
